To: Korea Southeast US Chamber of Commerce Friends, Members, and Board of Directors,

Hope all goes well.

I am writing to ask you to please consider signing the petition urging your Congressional representative to support H.R. 1812, the Partner with Korea Act. This is federal legislation which seeks to create a new visa category for Korean skilled workers to enter the U.S.

Partner with Korea Act (H.R. 1812) is a House legislation introduced by Rep. Peter Roskam and have cosponsored by 80 representatives from both parties. H.R. 1812 seeks to create a new visa category for Korean skilled workers with allotment for 15,000 workers [Traditionally, the United States provided special employment visas to nations that it ratified free trade agreements with. Singapore received 5,400 H-1B visa slots, Chile received 1,400, and Australia received 15,000 slots along with a new visa category (E-3)]. By creating the E-4 professional visa for South Korean skilled workers, H.R. 1812 will make U.S. businesses more competitive in the markets in South Korea and the U.S. and will create numerous jobs and business opportunities in the U.S.

The Korean American Action Network makes it easy to sign the petition. Please click on the following link. www.koreaseuschamber.org
