Dear Mr. Park:

I write to share with you my excitement to hear about the proposal to host the 21<sup>st</sup> World Korean Business Convention in Atlanta in October 2023. Metro Atlanta is truly a great place for such an international event. This is evidenced by the successful 1996 Summer Olympics and now being home to the busiest airport in the United States and more than 5 million people. Additionally, with over 100,000 people of Korean heritage in our community it is one of the fastest growing Korean American communities in the United States. In short, Atlanta is home to a very diverse, vibrant, and growing number of companies and organizations from around the globe.

The Southeast United States Korean Chamber of Commerce (SEUSKCC) is very happy to learn of the Korean American Chamber of Commerce of Atlanta Georgia (GAKACC) plan to play host to the World Korean Business Convention. Please accept this letter as our firm support of GAKACC's proposal to host next year's World Korean Business Convention in Atlanta. The SEUSKCC is excited to collaborate by attending the convention, facilitating meetings, and connecting businesses for the good of the community.

Sincerely,

Jae Kim
